*Personalized, respectful, onsite
cremations and aftercare services;
bringing closures to families.*

Bitu's Pet Cremation Services is a pledge and a tribute to provide a dignified and memorable farewell, to the most valuable member of your family, your Pet. Goodbyes are never easy. Bidding a farewell to those who have devoted their lives to love us unconditionally, can be the hardest thing a Pet parent has to endure. At Bitu's Pet Cremation Services, we understand your need to honor your best friend; the need to spend even those last few minutes with your pet, reminiscing life's joys, laughter and love. Thoughts of aftercare should be the last reason, to take away those bittersweet precious final moments.

Be it a simple farewell or a customized memorial, we are by your side, to guide you every step of the way; to take care of all your aftercare needs and help you memorialize your Pets; the way you want, with an assurance that the one returning home, is indeed your beloved one. It is an honor and a privilege for us to be entrusted with your Pet's journey to the Rainbow Bridge.

*"They are your friends, your partners, your defenders, your pets;
You are their life, their love, their leader.
They will be yours, faithful and true to the last beat of their hearts;
You owe it to them to be worthy of such devotion."*

From different types of cremations onsite, to private viewings and memorial products; you can choose to bid a farewell and remember your beloved pets for years to come; the way you want.
